DoP No 004

Standard EN 14915:2006+AC:2007

Thermally modified tongue and grooved massive
panel board from Radiata pine

11-26 mm x 90-185 mm

End-use application: interior use ceilings and walls

Species	Radiata pine (Pinus radiata)
Density and thickness	390kg/m ³ , 11/9 - 26/13mm
Fire resistance	D – s2,d0
Thermal conductivity	0,11 W/m K
Sound absorption	NPD
Formaldehyde emission class	E 1
Durability classification - against fungus	Class 2 ThermoD Class 3 ThermoS
