

Luna Profix 2 Plus

- Hidden fixing keeps the decking board dryer due to space between the board and joist (sub barrier)
- Longer lifespan of the decking
- PROFIX hidden fixing clip enables quick and easy installation of the deck and creates a clean and elegant appearance without visible screws
- By using hidden fixing, the board surface remains untouched

Article	Profix 2 Plus 100 pieces/package

In pursuit of an ecological and elegant deck, Lunawood Thermowood deckings come with a hidden fixing installation solution. This elegant appearance without visible screws creates consistent spacing between the boards for a flawless look across the entire deck. Luna Profix 2 Plus fixing system is suitable for year-round outdoor use (within a temperatue range of -35 to 80°C) and enables better air ventilation for a longer lifespan of the decking.
